

HOPA Emeritus Membership Application

HOPA understands that as individuals' careers progress, it's important to some to stay close to the field, even though employment status has changed. Because of this, HOPA now offers Emeritus Membership to those interested who meet one or both of the following criteria:

- 1) An individual is 65 years or older, is fully retired, and has been a HOPA Member for at least 10 years
- 2) An individual is fully disabled, is fully retired and has been a HOPA member for at least one year

All Emeritus members will receive the same benefits as all members in good standing (including access to the journal and voting eligibility), however they will not be able to run for office or serve on the Board of Directors.

In order to be reviewed for Emeritus Status, please complete this form, and return it to the HOPA Office at info@hoparx.org along with your most current CV. Please allow 2-3 weeks for this application to be processed and our records to be updated. We will reach out to you with our decision.
